

# PANORAMA

THE JOURNAL OF THE INTERNATIONAL ASSOCIATION OF PANORAMIC PHOTOGRAPHERS

Member Gallery 2016

## Member Gallery 2016

Welcome to the rebirth of the Panorama Journal! With our world becoming more electronic-based (laptops, Tablets, smartphones) the IAPP decided several years ago to invest the efforts of time and money into web-based communication. We wanted to provide our members with a space where they could ask questions, look for other member's solutions and leave information about new techniques that they have developed to further the future of panoramic photography. Our website and Facebook pages are that forum.

We also kept in mind that many of our members still enjoy the look and feel of printed media - something tangible that they could hold and show to their friends and colleagues. This is why we are bringing back the Panorama Journal in the form of a printed portfolio or mini-gallery. In other words, a full-color forum that shows off our members' work, all in a space devoid of pop-ups, banners or drop-down menus.

It is our hope that you will enjoy this issue and continue to submit images for future issues so that we can grow the Panorama Journal as well as our membership.
